

# iMiD 2024

The 24th International Meeting on Information Display  
August 20-23, 2024 / ICC Jeju, Jeju, Korea

**Session Title:** 12. Novel Holographic Displays

**Session Date:** August 21 (Wed.), 2024

**Session Time:** 10:50-12:10

**Session Room:** Room D (301)

[D12-1] [Invited]

10:50-11:15

Holographic Display based on Geometric Phase Liquid Crystal Device

Yi-Wei Zheng, Di Wang, and Qiong-Hua Wang (Beihang Univ., China)

[D12-2] [Invited]

11:15-11:40

Real-Time Holography Media System Using FPGA

Wonok Kwon and Sanghoon Cheon (ETRI, Korea)

[D12-3]

11:40-11:55

Correction of Parameter Mismatches in Transmission of Holographic 3D Images

Chang-Joo Lee, Hirohito Nishi, and Kyoji Matsushima (Kansai Univ., Japan)

[D12-4]

11:55-12:10

Holographic Axial Beam Shaping for Laser-Drawn Volumetric Display

Yuto Toda, Kota Kumagai, and Yoshio Hayasaki (Utsunomiya Univ., Japan)
