

iMiD 2024

The 24th International Meeting on Information Display
August 20-23, 2024 / ICC Jeju, Jeju, Korea

Session Title:	16. Micro-LED Manufacturing Technology
Session Date:	August 21 (Wed.), 2024
Session Time:	10:50-12:20
Session Room:	Room H (402)

[H16-1] [Invited] **10:50-11:15**

Micro-LED Display with MoS₂ Backplane TFT

Jong-Hyun Ahn (Yonsei Univ., Koera)

[H16-2] [Invited] **11:15-11:40**

Ultra-Conformable, Skin-Like Electronics based on Microdevices

Byeongmoon Lee (Stanford Univ., USA)

[H16-3] [Invited] **11:40-12:05**

Selective Mass Transfer of Micro LED Using Lightizer Photoresist Expansion

Byoung Gu Cho (Lightizer Co., Ltd., Korea)

[H16-4] **12:05-12:20**

Laser Processes for High Throughput and High Precision MicroLED Display Manufacturing

Oliver Haupt (Coherent, Germany)
