The 24th International Meeting on Information Display
August 20-23, 2024 / ICC Jeju, Jeju, Korea

| | |
|-----------------------|-------------------------------|
| Session Title: | 36. Holography |
| Session Date: | August 22 (Thu.), 2024 |
| Session Time: | 16:00-17:45 |
| Session Room: | Room D (301) |

[D36-1] [Invited] 16:00-16:25

Standardization on Digital Hologram Compression

Kwan-Jung Oh, Yongjun Lim, and Hyon-Gon Choo (ETRI, Korea)

[D36-2] [Invited] 16:25-16:50

Recent Techniques in Full-Color Large-Scale Computer Holography

Kyoji Matsushima, Hirohito Nishi, Chang-Joo Lee, Takeshi Imai, Shunsuke Fujiki, and Ryosuke Katsura (Kansai Univ., Japan)

[D36-3] [Invited] 16:50-17:15

A Novel Transparent 3D Display based on Integral Imaging Light-Field Display

Hoang Yan Lin and Chia-Yuan Chang (Nat'l Taiwan Univ., Taiwan)

[D36-4] 17:15-17:30

Electronic Holography with Waveguide

Rio Ouchi and Yasuhiro Takaki (Tokyo Univ. of Agriculture and Tech., Japan)

[D36-5] 17:30-17:45

Implementation of Large-Scale Holographic Imaging Display without Lenses Using Spatial Multiplexing Phase Mask Algorithm

Chuan-Feng Nehemiah Kuo (Nat'l Taiwan Univ. of Science & Tech., Taiwan), Chih-Hao Chuang (Feng Chia Univ., Taiwan), Tzu-An Chou, Ling-Dong Tsau, and Chien-Yu Chen (Nat'l Taiwan Univ. of Science & Tech., Taiwan)
